WHEREAS, this matter has come before the Court pursuant to a Joint Motion for Entry of an Order Granting Preliminary Approval of the Amended Class Settlement dated March 24, 2010 (the "Motion"); and

WHEREAS, the Court finds that it has jurisdiction over this action and each of the Parties for purposes of settlement; and

WHEREAS, this Court has conducted a preliminary approval hearing on February 3, 2010 on the record via telephone, has considered all of the submissions related to the

Motion, and is otherwise fully advised of the issues; and for the reasons set forth in the Opinion delivered on the record on February 17, 2010,

IT IS HEREBY ORDERED THAT:

**I. PRELIMINARY APPROVAL OF SETTLEMENT AGREEMENT**

1. The terms of the Amended and Superseding Agreement of Settlement, dated March 24, 2010 including all Exhibits thereto (the “Agreement”), are hereby preliminarily approved as modified in accordance with the directives set forth on the record on February 3, 2010, subject to further consideration thereof at the Final Approval Hearing provided for below. This Order incorporates herein, and makes a part hereof, the Agreement, including all Exhibits thereto as modified in accordance with the directives on February 3, 2010. Unless otherwise provided herein, the terms defined in the Agreement shall have the same meanings herein. The Court finds that the class settlement embodied in the Agreement (the “Class Settlement”) is sufficiently within the range of reasonableness so that Notice of the Class Settlement should be given as provided in paragraph III of this Order and the Agreement. In making this determination, the Court has considered the current posture of this litigation and the risks and benefits to the Parties involved in both settlement of these claims and continuation of the litigation, and that the Agreement was entered into only after extensive arm’s-length negotiation by experienced counsel.
